CUB on Mint Records ★ **SUPPORTING ACTRESS** ★

BEEZUS ★ **INDOOR BOY**

Canada's favorite rock-n-roll girls, CUB, bring the finest brand of cuddlecore money can buy! These ladies are no strangers to performing live having played over 200 different venues with bands including Sebadoh, Rancid, The Muffs, The Spinanes, Hole, Yo La Tengo, Seaweed- and the list goes on! **SUPPORTING ACTRESS** are a trio with the crispiest guitar sound around! The songs range from offbeat catchy little ditties to loud all out power rock. Take three girls with muscle and make them play crafty hard driving pop and you've got yourself **BEEZUS**! Up first is the Indiana trio **INDOOR BOY** with an impressive array of atmospheric psyche rock with a schizophrenic tendency between clean and distorted.

SATURDAY, MARCH 23RD

COME OUT OF YOUR SHELL! SUPPORTING ACTRESS &

BEFORE THEY START. THAT'S NOT TO CATCH THE EYE OF THAT NEV,
BOY DOWN THE STREET, OR TO GET AN INVITATION TO THE NEXT
DANCE. HERE ARE SOME TIPS TO HELP YOURSELF. THE REST IS UP TO YOU.

THE MIBS

What's right with you? Make up an honest list of all your good qualities. You're going to find there are lots of them. Now compare them with some of your friends' good qualities. Come out pretty well, don't you?

Forget yourself. The trouble with shy people is that they're watching themselves all the time, worrying about how they look, sound, act. Concentrate on others for a change. Learn to really listen to others, to lose yourself in whatever is going on.

Be willing to try. Don't be afraid to learn a new game or enter a discussion because you're afraid you'll do badly. Everyone does—that's how you learn. Join—don't expect to be perfect. Just expect to have fun. You will, too.

Learn to do things. Be able to join in all kinds of activities. Learn to dance, swim, bowl, skate—do everything the rest of the people you know enjoy doing. Then you'll be able to participate and be part of the gang.

Show you're interested. It may be hard for you to believe, but most of the people are anxious to make a good impression on YOU. If you try to put them at ease—if you show you like them—you'll be helping them AND yourself.

BASEMENT 106 W. LOCUST

Keep your eyes and ears open. Pay attention to girls who are not shy. You may get some helpful hints from the way they act and talk. Don't copy them—just get an idea of how it's done.
